The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

RE: VENICE BEACH PARKING LOTS GUIDELINES – WASHINGTON BLVD, VENICE BLVD. AND ROSE AVENUE LOTS

The Department of Beaches and Harbors has implemented the following guidelines when film productions request the use of over 50 parking spaces of the subject lots:

- A parking monitor will be assigned to all Venice lots in which production is requesting 51 spaces or more. (Keeping the maximum of allowed spaces to 25% of each lot)
- Parking lot vendor will assign a parking monitor at the current hourly rate, which through 2022 is \$28.17.
- Parking monitor will be required for a minimum of 4 hours on the first day of parking needs (Move-in Date).
- The film production Location Manager (or production representative) must check in with the parking monitor before filming vehicles and equipment enter the parking lots and park. The monitor will direct the production company where to park and review parking guidelines.
- Parking monitor will ensure production companies park within permitted parking spaces. Maps of parking lots will be distributed for reference.
- All additional standard parking guidelines will apply (attached).
